## OWENS PRECISE PAINT PROGRAM

Owens Products offers an optional paint to match program for most molded running boards. Lead-time is approximately 6-7 working days. In order to acquire the closest color match, we require the following information:

Make - Model - Year - Paint Code - Color - VIN  
 i.e. Chevy Silverado, 2011, Paint Code 59/WA926L Silver Birch  
 VIN 2GNDU06E3B00011EX --(Very Important!)--  
 The WA# is required for all GM vehicles!

## Sales Policy

**Credit Terms:** Sales are credit card unless a signed credit application has been submitted and approved for terms.

**Freight Policy:** Prepaid freight \$3000.00 orders shipped in US. Additional charges such as residential delivery, delivery appointment fees, restricted delivery, guaranteed delivery date, etc. are not covered by Owens Products.

**Customer Pickup Policy:** Requires customer to check product and sign packing slip before leaving factory.

**Freight Claims and Conditions:** Always check the condition and number of cartons against the freight bill and packing slip at time of delivery. **The customer must note damages and shortages on the delivery receipt at the time of acceptance.** Notify Owens Products customer service department immediately upon discovery of discrepancy. All shortages with the shipment must be reported to Owens customer service immediately or credit may not be issued. When reporting the shortage, please refer to the invoice or sales order number, item description, part number and carton count. **Please do not deduct shortages from invoices when making payments; the factory will issue credit accordingly.**

**Return Merchandise Policy:** All merchandise returned to Owens Products must be initiated within 30 days of original purchase and have an approved Return Merchandise Authorization Number or it will be refused and returned to sender. Collect returns will be refused for return to sender. Items to be returned must be received within 30 calendar days from the issue of the RMA#. After 30 calendar days, the RMA is void. **All returns must be boxed and shipped as they were originally received including foam and other packing materials, so as not to be damaged in transit. Damage to boxes or product may result in loss of credit for that product. Customer is responsible for return freight - please insure shipment.** Returns due to reasons other than Owens Products error will be charged a 25% restock fee. **Special order or discontinued items are not returnable for credit.**

**Warranty Statement:** Owens warrants all products to be free of defects in material or workmanship for a period of one year from date of original Owens purchase. This warranty covers the cost of the defective part and not the cost of removal, installation, painting or other incidental or consequential charges or damages. This warranty is void if any damage to the product is due to misuse, abuse, neglect, accident, improper installation or any other use contrary to the instructions accompanying this product. Warranty will be pro-rated based on the length of time. All warranty returns must be issued an RMA# before they can be returned to Owens. Credit will be issued upon inspection of the product. Any product found to be non-defective will not receive credit and will be offered to be returned to the sender at their expense. Product will be scrapped 10 days after sender notification. Owens paint is not covered by this warranty. See Paint Policy below. Shipping damage is not considered a warranty. See Freight Claims above.

**Paint Policy:** Owens Products warrants all custom paint to be free of defects in cosmetic appearance upon receipt of goods. Owens Products makes every effort to match the OEM colors and utilizes approved OEM color variations. However, due to weather, sun exposure, other chemical contact to which the vehicle is subjected, the vehicle's paint may fade or change slightly from its original color. **We do not guarantee a paint match.** If an exact color match is absolutely required by the consumer, we recommend that the product be painted locally. Painted product cannot be returned unless it is defective due to materials or workmanship. Slight color variation is not considered a material or workmanship defect. Please call Owens for Tri-Coat paint policy.

**Price Changes and Specification:** Prices are subject to change with 30 calendar days notice. Mere possession of any Owens price list does not guarantee purchaser the prices or product lines contained therein.

**Disclaimer:** Due to the large amount of print and text, Owens is not liable for inaccurate or misprinted text that may require correction. Corrections may be made at Owens discretion. This policy supercedes any or all related preceding policies.
