Owens Premier Series Board Offers Style and Statement for GMC Terrain

Sturgis, MI (July 14, 2010) Owens Products, Inc., known for its sleek running boards with applications for pickups, vans, SUVs, and CUVs, has just announced the availability of the Owens Premier Series running board for the GMC Terrain.

Stepping out in style never looked so good! This full length, steel reinforced running board combines stylish ground effects with practical function. The sleek design is constructed of impact resistant ABS plastic. A custom fit body mount bracket system means a fast and easy installation. This “make a statement” board comes ready to install or can be painted for an even more personal look.

Owens Products, Inc., is a family owned business established in 1965, and dedicated to the manufacturing of innovative and quality focused products. Owens is a dominant force in the automotive aftermarket with product lines of plastic, fiberglass and aluminum running boards, aluminum tool boxes, dog boxes, garage and trailer accessories as well as its custom made products. Proudly made in the USA.
